

	Thursday 22 June	Friday 23 June	Saturday 24 June
08:30		<b>SESSION III:</b> “Advances in organ and tissue transplantations”	<b>SESSION VIII:</b> “Translational Researches in Lymphology”
10:00		<b>Coffee Break</b>	<i>Open Coffee (during the morning)</i>
10:10			<b>SESSION IX:</b> “The Official ISEM Journal European Surgical Research – Tips from the Editorial Board”
10:30		<b>SESSION IV:</b> “Ischemia-Reperfusion in Microsurgery - Technological Biomedical Innovations”	
11:00			<b>SESSION X:</b> “Experimental Models, Training, New Technologies, Clinical and Translational Microsurgery”
11:35		<b>SESSION V:</b> “Robotic Microsurgery and Artificial Intelligence (AI) Assisted Microsurgery”	
12:35			<b>Final greetings – END OF THE CONGRESS</b>
12:45			
13:25		<b>Lunch – ISEM BOARD</b>	
14:30	<b>Opening of the Congress:</b> <i>Congress President and ISEM President welcome</i>	<b>SESSION VI:</b> “Researches and New Challenges in Lymphology and Lymphatic Microsurgery”	
14:50	<b>SESSION I:</b> “Newly Developed Experimental Models – Translational Research”		
16:30	<b>Coffee Break</b>		
16:35		<b>Coffee Break</b>	
17:00	<b>SESSION II:</b> “Bioengineering and Regenerative Medicine- Wound Care and Role of the Lymphatic System”	<b>SESSION VII:</b> “Training and Education in Microsurgery”	
19:00		<b>ISEM GENERAL ASSEMBLY</b>	
19:15	<b>Welcome CONCERT</b>		
20:00	<b>Welcome Cocktail</b>		
20:30 -20:45		<b>GALA DINNER</b>
